INTRODUCTION

Here is the Household Questionnaire which we told you about in our September and October Newsletters.

Completing it is the best way for you to contribute to the PLAN, which will set out the Community's Objectives and Vision for the future of the Sibfords.

The questions have been developed from the community's feedback at the Launch events we held in December and March and subsequently investigated by the 6 Working Groups.

The Questionnaire is being delivered to each household in the Sibfords.

We invite all members of the household over the age of 12 years to complete it.

At first sight it may look like a lot of questions, but most are answered by 'ticking a box', which can be done quite quickly.

You will see that you are not asked for your name, address or phone number and there is no serial number on the form. **Your reply will be anonymous.**

We just need to know how many people gave which answers, not who said what!

We hope you find it interesting, and maybe get a bit of fun out of replying.

Thank you for your support and contribution to this important document.

Richard Hartree
Chair, Sibfords Community Plan Steering Group

HOW TO COMPLETE THE QUESTIONNAIRE

Please answer every question where possible.

A number of general questions apply to the entire household. Where individual answers apply, we hope everyone in the household 12 years and older will give their own answers.

Including the General Household Information questions at the beginning of the questionnaire, it will take about 25 minutes to complete. Answering the individual questions will take less time.

Answers from each person should be in a separate column, as in the example below, with each letter representing a different person. If there are more than 6 people in the household, please ask your deliverer for an additional questionnaire.

Q6. Are you Male or Female? Please tick	A	B	C	D	E	F
Male	✓		✓			
Female		✓				

We hope you will enjoy completing the questionnaire. If there are any questions you think don't apply, or you are unable to answer, just leave them blank.

1 HOUSING AND PLANNING

We suggest you read all the questions in this section before replying

NEW HOUSING

At present there are approximately 440 households within the two Sibford Parishes, including Sibford School. Cherwell Local Plan proposed 50 new houses in the Sibfords by 2026 amounting to approximately 11% of the total number of existing houses. After a public meeting the Parish Councils replied to Cherwell District Council on behalf of the residents, proposing no more than 10 to 20 new houses. It is still likely that the Sibfords will be expected to provide for expansion under the new Local Development Framework. Cherwell housing policy currently requires one third of new housing to be affordable housing.

Q16. How many new houses do you think would be acceptable? Please tick		Totals	A	B	C	D	E	F
0		40						
Fewer than 10		132						
Fewer than 20		212						
Fewer than 40		101						
40 - 50		46						
Within any one group of new houses, what is the maximum number of houses you would find acceptable? Please insert a number.	Total responses to Size of Housing Group options							
	0	1<5	6-10	11-15	16-20	21-30	31-40	41-50
	23	72	87	35	41	8	2	4

Q17. Would you expect any housing allocation to be shared across a broader catchment area covering the neighbouring villages of Epwell, Shutford, Swalcliffe and Tadmarton? Please tick	Totals	A	B	C	D	E	F
Yes	347						
No	164						

Q18. What size of houses do you consider they should be? Please tick all your preferences	Totals	A	B	C	D	E	F
Smaller Sheltered Housing for the elderly	241						
1 - 2 bedroom / first time buyers	374						
3 bedroom family houses	307						
4 bedroom family houses	137

Q19. What type of houses should they be? Please tick all your preferences	Totals	A	B	C	D	E	F
Traditional style in keeping with local vernacular	443						
Bespoke contemporary architecture	100						
Developers standard style	28						
No preference	28						

Q20. New development could enable new or upgraded facilities to be provided for the benefit of the Sibfords community. Please tick up to three favourites	Totals	A	B	C	D	E	F
Extra off-road parking (additional to 2 per house required by Oxfordshire CC)	304						
Upgraded roads	268						
EITHER Play areas (located within the housing group)	65						
OR Village Recreation / Play facilities	241						
Trees and Woodland (<i>no responses</i>)							

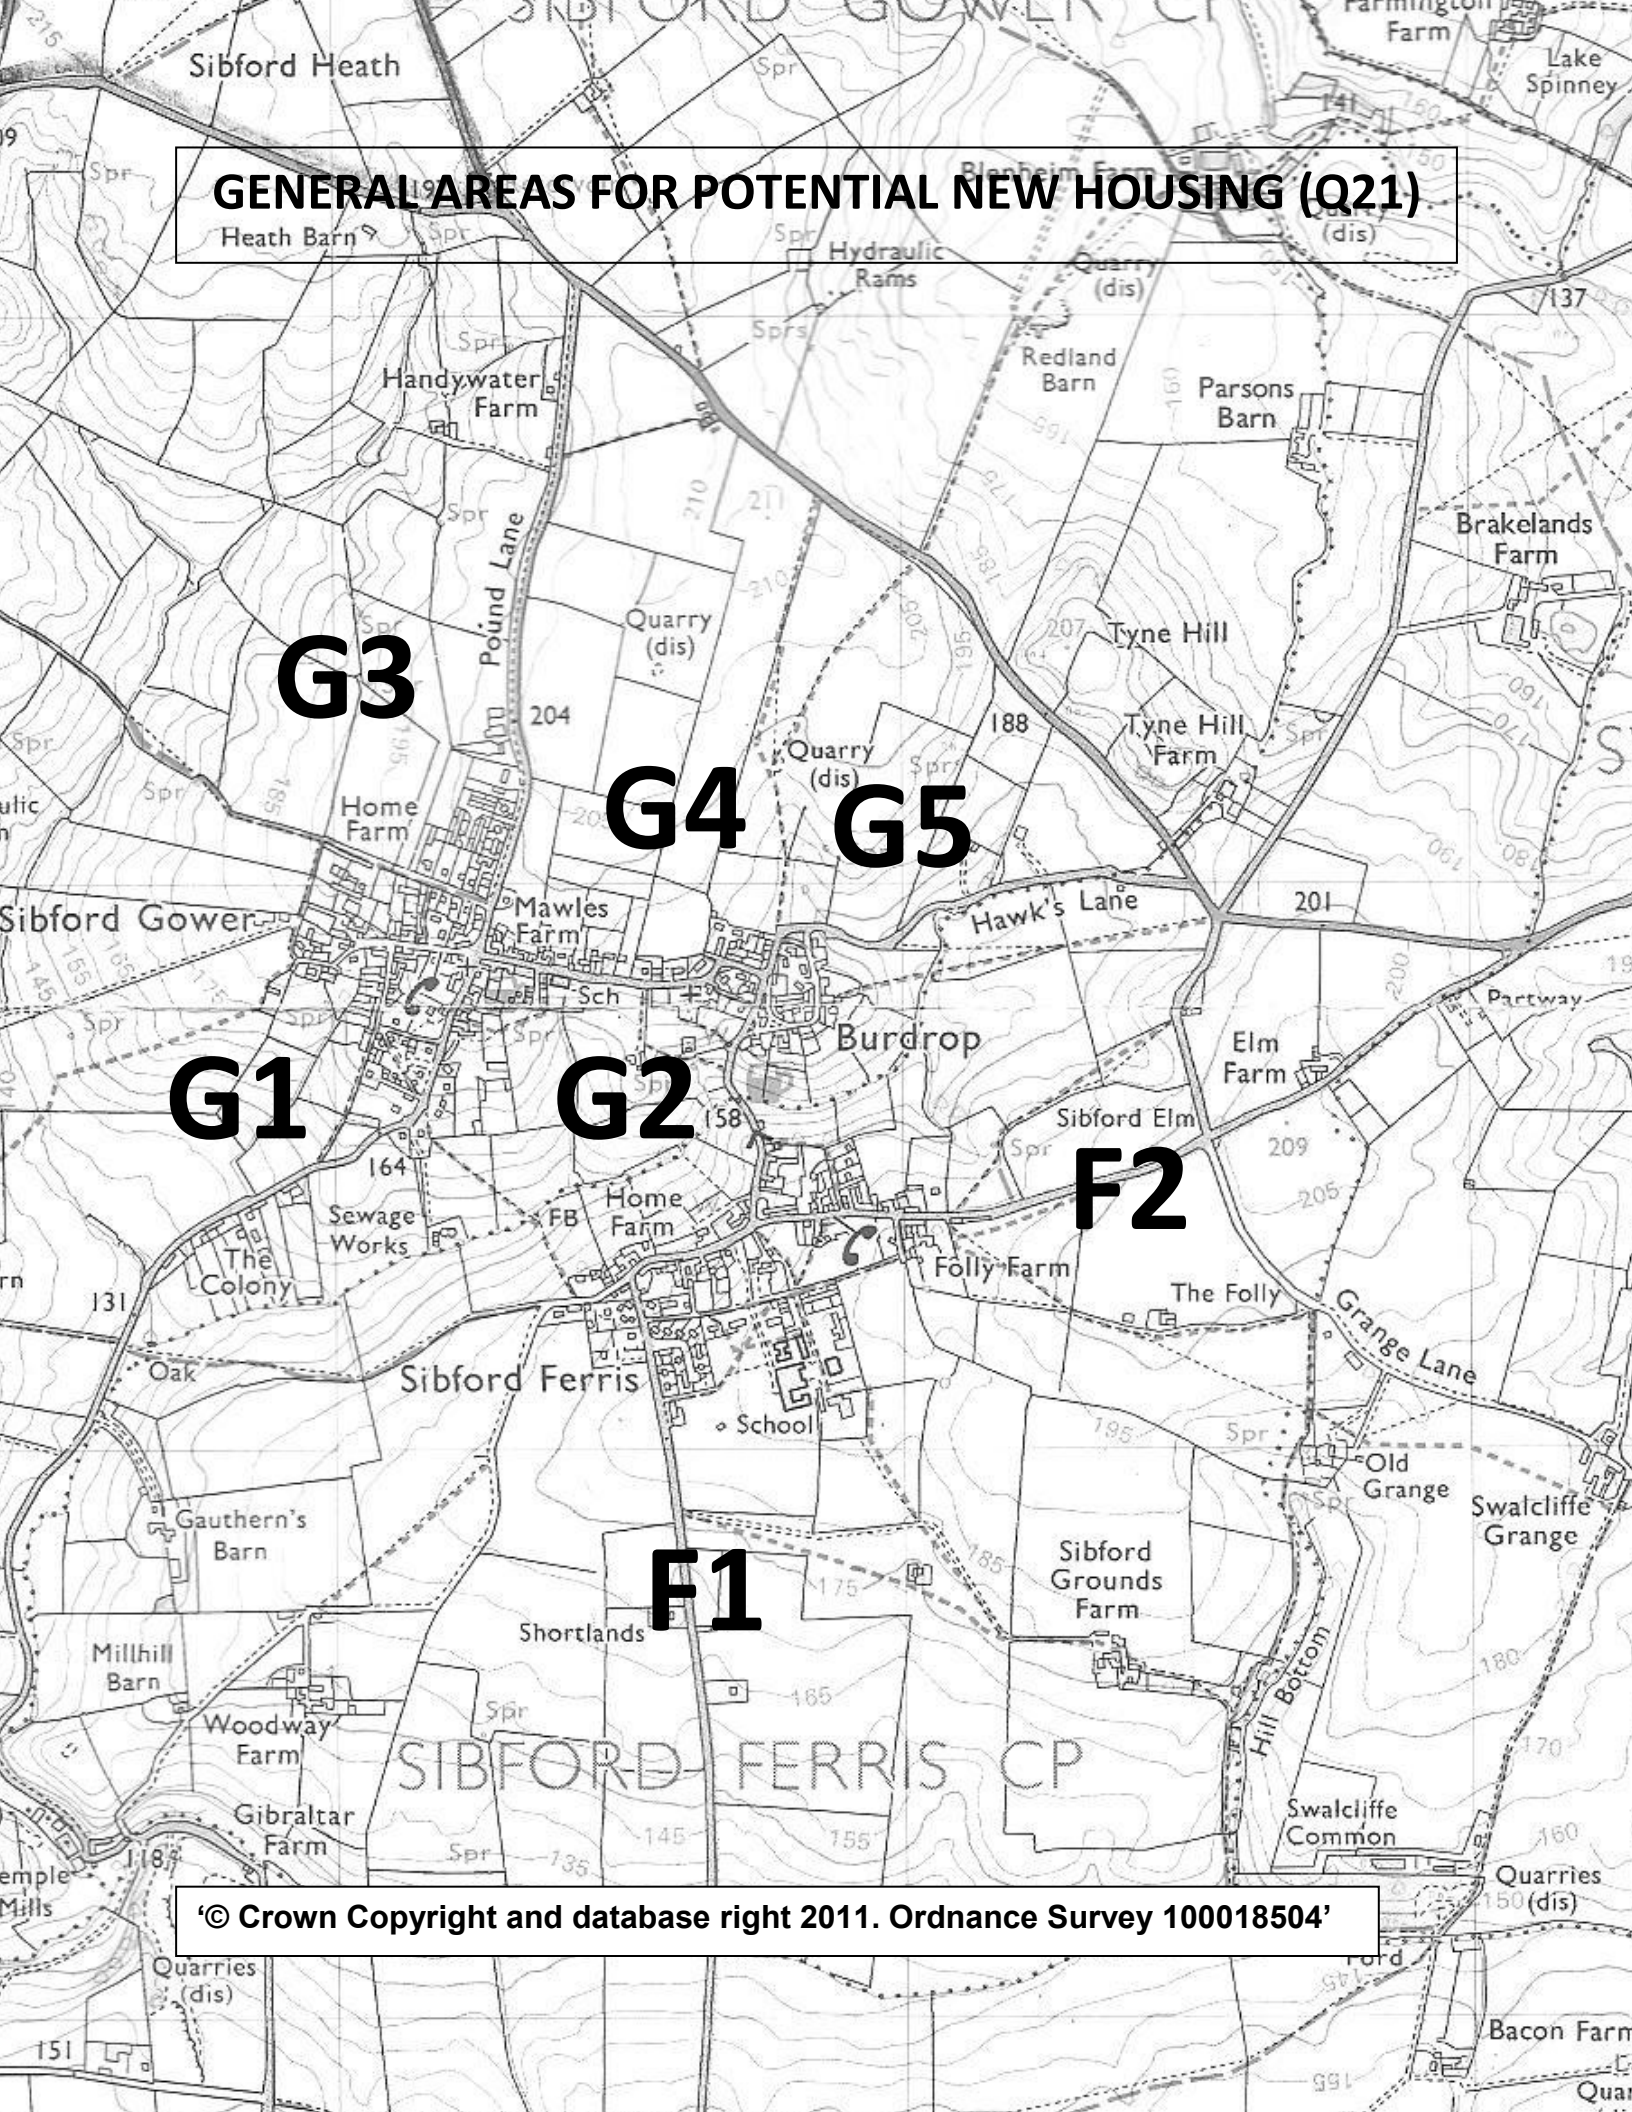

LOCATION OF NEW HOUSING

The Sibfords have grown up with green spaces between and within them, allowing access to and views across the surrounding countryside. The Local Plan states that villages should be extended to relate to their historic growth pattern and this should allow for extending outside the village 'envelope' with open space integrated within or between new developments. If all new housing is 'infilling' then much of the existing open space within the Sibfords may well be lost and any further housing will have to be outside the village 'envelopes'.

Q21. Where would you be willing to see new housing and where would you oppose it? Put 'A' for accept and 'O' for oppose. Please complete both the 'General' section and the 'General Areas within the Sibfords' section. See map on next page for locations of the general areas for potential new housing.
