No. 124

THE BRITISH RED CROSS SOCIETY

Dear Sir,

May I, through the medium of your newsletter, appeal for help for the local Red Cross?

The last twelve months we have responded positively to several major international disasters as well as continuing and expanding our many local services. Many housebound or disabled people rely on the Red Cross in some way - occupational therapy, transport, day centres, loan of medical equipment to improve the quality of life, holidays etc., as well as first aid duties and training.

We now need a massive injection of funds to help us continue our work both at home and abroad.

In May we try to visit every home in Oxfordshire with a collecting box. To do this we rely on an army of helpers who each collect in a very small area. Could anyone spare just one or two hours in May?

The Red Cross exists to help in times of need - please give us your support. Please telephone Oxford 57377 and leave your name and address or telephone number for us to contact.

Yours sincerely,
W.J. Wearing (Mrs)

FREE BUS SERVICE FOR RESIDENTS OF SIBFORD GOWER AND BURDROP

Neighbourhood Watch

Would any of our members or villagers like to attend a seminar on Women's Safety? The Banbury Crime Prevention Panel are intending to hold a seminar on this subject later this year and would welcome an idea of the numbers they could anticipate. The intention is to explore the true problems relating to women alone in public places - not a lesson in Self Defence but on Personal Safety - please let us know soon if you are interested.

We have a list of Insurance firms who give discounts on premiums for good security arrangements and/or membership of N.W. Organisations, your local co-ordinators have copies - just ask.

May I draw your attention to 'Crime Stoppers' (Banbury 271999) and the column in the Banbury Guardian - anonymity in reporting and a possibility of reward. Please feel free to use this line to report anything suspicious.

A final point, when you lock your doors at night, take the key out, don't make it easy for a burglar's exit !

John Mulley. Co-ordinator, Sibford Gower & Burdrop. (Swal. 629)

Thankyou

"I would like to thank all my wonderful neighbours and friends for all their help and kindness during my dear husband, Bryan's illness. He was so pleased to know that I was being treated with such kindness.

Also my sincere thanks to the Rev. Timothy Wimbush for his prayers in Church on Sunday, 29th January."

Muriel Davies, Barley Close.

Distribution of Sibford Scene

Our willing band of volunteers do a splendid job and all households are grateful to them for their efforts in all weather.

One or two 'whispers' - no more than that - of late distribution (at least some households are interested enough to notice!).. If any of our valient band go on holiday or are sick, would they please make their own arrangements for an alternative means of distribution.

Thanks.

PLAGUE OF BEETLES HITS VILLAGE HALL!

Headline in The Sun! But we here in sober, Financial Times Reading Sibford would, in more rational terms, report a rather super and friendly evening hosted by the Parochial Church Council of Holy Trinity for the newcomers to the villages over the last two years.

Invitations sent out by Dame Anne bore the rather confusing letters 'R.S.V.P.' which every one on this side of the Channel knows stands for 'Royal Society of Vicious Porcupines', whereas dear Dame Anne, who did not leave school at fourteen, like the rest of us, and is already into Europe long before 1992, expected it to mean something rather different!!

It mattered not a jot for Colin Frith, who is something of a fortune teller, pressed his computer and up came the magic figure of 70. Tina Frith catered for that number and guess what? 68 sat down to a sumptuous cold buffet. Potions of pink wine flowed. The Master of Ceremony, Timothy Wimbush, piloted the ensemble through several hands of 'Beetle' and confused everyone by insisting that its 'five for a body and six for a head' where as everyone knows that, ever since Eric Payne was a lad, and thats a long time ago, its been six for a body and five for a head!

It didn't really matter, joy and laughter flowed unabated.

Later, the 'glee club', straight from the church choir stalls, led a happy throng, through a list of well known ditties.

It was just that sort of evening which makes one want to stop the installments on the TV set and return to home made country entertainment once more!

The party broke up at nine thirty by which time it was long past the bed time of many of the guests for it was a truly family affair.

"Good night Bill! Good night Lou, Good night May, Good night" and praise indeed for Coline and Tina Frith and their band of helpers.

What a pity its two years until the next 'do' and by that time R.S.V.P. will mean something strange in French!!

Pahh!! Who wants a Channel Tunnel?

SIBFORD W.I.

There was a good attendance for the February meeting, augmented by a number of male guests, to hear Mr. David Elldred describe his experiences leading up to, and at the Yalta Conference. He was responsible for a large fleet of vehicles required to transport the British Delegation from Sevastopol to Yalta, and quite a lot beside. It was extremely interesting to hear his impressions of our Russian and American allies and of the great leaders, at first hand. Mr. Elldred returned from his mission with rather less vehicles than he started out with, since Mr. Churchill in a characteristic fit of generosity, gave half a dozen large cars to the Russians as a present. However, he did manage to stash away some contraband in one truck which customs obligingly allowed through at Liverpool and which gladdened the heart of the future Mrs. Elldred. Many thanks David for a fascinating talk.

Some good souvenirs of war turned up in the competition.

1st prize went to Mrs Grasby for her metal button shiner. 2nd was Mrs Mary Cooper's Identity Card and 3rd Mrs. Win Johnston's very own Section Officers uniform cap. Mrs Grasby and Mrs Cox served teas.

Next month the Institute will meet at 2.p.m. on March 14th in the Village Hall, to hear Mrs. Joyce Milward give a travel talk with slides on Yorkshire Travels.

There will be a competition for the best Treacle Tart.

SIBFORD BROWNIES

WELL DONE to Sibford Brownies who have raised the magnificent sume of £164.00 by doing a sponsored Pet Care Project. A third of the money went to the new Girl Guide Assoc. Olave Centre in London, a third to the County Pack Holiday House in Oxfordshire and the remaining third went to the National Canine Defence League and some of the brownies went along and took the cheque and were shown round.

As from Monday 6th March, for 2 weeks, Sibford Brownies and their parents will be coming around the village collecting for Dr. Barnardos. If you can support them it would be much appreciated.

LEO CLUB Leo Club met on 14th February for a Coffee evening and made plans for their meetings for the rest of the year. The next meeting will be held on Tuesday 21st March at 8.00p.m. at the Court House.

FAMILY WORSHIP

Towards the end of last year the Parochial Church Council of Holy Trinity Church considered what the church could do to provide the sort of services which would attract young people and, of course, their parents. There was a feeling that there might be many for whom the regular services of the Eucharist could be somewhat daunting.

It was decided to have a monthly Family Service on the third Sunday of each month. A small committee was formed to plan the services.

The intention was that there should be a basic structure which would eventually become familiar to those who came and which would be the same as that used in other parishes in the benefice, so that anyone unable to attend a service here in a particular month could feel at home in Epwell or Tadmarton. Within that structure the committee had complete freedom to devise whatever form of worship seemed appropriate.

The plan was to engage the interests and use the gifts of people of all ages. While it was hoped that children would come and from time to time take an individual part, parents and older people would also be invited to become involved in the planning or actions of the services. Each service would have a theme on which the readings, hymns and prayers would concentrate. Thus far there have been guitars accompanying some of the hymns, a violinist playing before the start of the service, families giving readings and children as well as older people leading the prayers. There is a wealth of talent available to be used and, it seems, interest to engage it. Indeed there is already a short list of volunteers to take part in one way or another and numbers attending the services are growing in a most encouraging way.

If you have ideas for themes for services, for things that you would like included or for parts that you would like to play, the committee would love to hear from you. Just ring Fiona Hook(0608 737820), Mary Poulton(8306), Jean White(529), Erica Wimbush(555) or Colin Frith(512).

MARY POULTON

Main points discussed at the Parish Council Meeting held on 27th January 1989.

The signing of the local footpaths and bridleways has been successfully completed with one minor exception which has been raised with the District Council.

The District Council will be contacted regarding the possibility of providing bollards or some such protection to grass verges especially those adjacent to the telephone kiosk in Main Street.

The Council discussed various parking problems and wish to make a general plea for responsible parking within the village. The Council request that vehicles are not parked at dangerous junctions or on narrow lanes. A particular concern is that due to parked vehicles the Emergency Services may be prevented from attending a fire, sick person etc.

Mr John Parmiter has been co-opted onto the Council following the death last year of Mr. L.W. Poulton.

Various details of communication systems for the elderly and details of the O.C.C. Cold Watch Scheme were discussed and details and leaflets are available from the surgery.

A leader for any guided walk of special interest had been requested by C.D.C. so anyone interested should contact the Parish Council for details.

The annual clean up litter campaign will be from 22nd to 30th April.

The Annual Parish Meeting will be held on 21st April in the Primary School Hall at 7.30p.m.

By doing & helping, new friendships are soon formed - please do it now, not next year! What's your line? Ring Petra and tell her. She will point you towards the Club or Society that needs the assistance that you can give.

Letters to the Editor

Dear Barry,

To my great consternation, I see there has been another misunderstanding in "Scene".

My notice about the Youth Club Jumble Sale stated "Jumble... etc. for Youth Club Funds with a proportion of proceeds, we hope going to Armenia Fund; but the note at the back of "Scene" suggests it is all for the Armenia Fund - this has caused Youth Club workers great problems.

Anne Marcovitch

Sorry Anne! You seem to be singled out for poor treatment!! These things come in Threes! I hope the third isn't too devastating!!

The back Calendar tends to be a precis of longer notices on previous pages but I agree the merit of precis should, at least, be accuracy.

'Will try to do better in future. Sorry Youth Club'.

ED.

Despite the Editors sins £130.00 was raised. Thanks to kind supportive villagers and parents.

Dear Sir,

Congratulations to your new Typing Pool.

The February Scene was excellently laid out and one would never know that it was a first attempt.

May I express the thanks of the village for their ready help - if only I could type I would join their band!

Yours sincerely,

Miss Lesley Gibbs

The Editor has received many similar congratulations to our new team in person or on the telephone.

NATURE NOTES

Jan. 27th. Still very mild. A large patch of *Iris reticulata* in full bloom, also miniature daffodils and *Iris stylosa*. On the debit side, fungus diseases, that we normally associate with the summer months, are evident on the winter cereals. The winter barley, that looked so well in the autumn, is now suffering from the effects of mildew, and I understand that Yellow Rust, which we usually watch for in June and July, is showing up on certain varieties of winter wheat.

Jan. 29th. Quite a sharp frost this morning. Where a few pints of water had collected on a plastic sheet after yesterday's rain, the ice was quite thick and in the middle it had formed an ice stalagnite almost 3" tall, and the top 2 inches not much thicker than a pencil. This puzzled us, as it was in an open position with no chance of drips from above, until we noticed that it had a hollow core and had a lot of bubbles frozen into the ice. We concluded that some rotting vegetation in the water must have produced bubbles of methane which kept a hole open in the ice, and as they surfaced carried drops of water which froze on meeting the cold air, to form a tube, which, oddly, had one flat side on it, but I suppose air movement might account for that.

Feb. 19th. The weather is quite ridiculous. The array of spring flowers looks more like April than February. The first daffodils by our lane are open today. In contrast N.W. Scotland has had over 30 inches of rain already this year, which is more than our annual average.

DOGS FOULING FOOTPATHS AND GRASS VERGES - BYELAWS

New byelaws, carrying a maximum fine of £100, have been enacted relating to dogs fouling a "footpath of any highway or a grass verge which is not more than 4 metres wide and is adjacent to the carriageway or footway of a highway". Cherwell District Council have requested that the Parish let them have details of where it would be appropriate to display byelaw notices. Cherwell District Council has appointed a dog warden, Mr B Hosband, to enforce these byelaws and to collate detail required if further byelaws relating to open spaces and recreation grounds are to be made.

The Parish Council would like to hear from anyone who has views as to appropriate locations for such notices or any other areas not covered by the present byelaws that they consider should be covered, either direct or by raising the matter at the Annual Parish Meeting on 21st April.

One of the prime concerns when making these byelaws is the risk from the disease toxocara canis which occurs when a round worm infestation, often carried by dogs, reaches the back of the human eye. This at worst can lead to blindness especially in young children.
