Sept 18th. Today's news bringing more evidence of global warming from Antarctica is worrying. Scientists are recording a big increase in the number of plants of hair grass and pearlwort that grow there, also some new species are appearing where ice has melted to expose bare earth. It is still thought that the warming is due to emissions of 'greenhouse' gases and although many countries, including Britain, are committed to reducing these, there are few signs that this will be achieved. Indeed as far as car exhaust gasses are concerned a big increase is forecast. Although we are told that warm periods have occurred in the distant past the effect would be far greater now with the huge increase in human population of the world.

Nature Notes.

Aug 21st. When the nuthatch that frequented our garden disappeared in the spring of this year I feared that we might go several years without seeing another but my fears were groundless. We are regularly seeing one and I think that I may have heard a second one on two occasions. I expect that we shall find out how many there are when we start putting food out for them.

Aug 23rd. An easily gathered harvest is now nearly completed. Yields of cereals are better than I expected after the very dry weather in June and July. They must have drawn on deeper reserves of moisture, a legacy of last winters rain. Field beans looked to be suffering more during the dry spell and thus have ripened exceptionally early and I understand that they are so dry that the pods are shattering when touched by the reel of the combine harvester.

Aug 24th. Last year we saw a humming-bird hawk-moth resting on the edge of our bird table but today we watched one feeding on our neighbours summer jasmine. Never having seen one feeding before I was struck by its similarity to a humming-bird as it hovered with rapidly beating wings in front of each flower while it extended its tongue to collect the nectar.

Sept. 3rd. Our buddleias have flowered too early this year to coincide with the main hatch of butterflies. I must try to prune some of them later in the spring or summer prune some of the young growth to make them sprout again and hopefully spread the flowering season.

Sept. 15th. I have measured almost two inches of rain over the last two days. Thursday's 1.32" was the biggest day's rainfall this year.

-CARER NEWS

I have just completed my first week at the North Oxfordshire Carers Centre in Banbury as Rural Development Worker. My name is Christine Stanbridge and will be taking over from Jackie Kyffin.

Having come from a background of retailing and marketing, my first week here has been reading and absorbing as much information as possible on the needs of the rural carer. This is where I need your help. If you are caring for someone or know the problems someone in your village is experiencing while caring for someone, I would like to hear from you. You can contact me at the Carers Centre in Banbury on 0345 125546 for a chat or I can arrange to come and see you at home.

I will be continuing with the work started by Jackie, setting up contact groups in villages and identifying gaps in the service that carers need in the rural environment.

Yours sincerely

News and Information

With Mrs Baadsgaard presiding, members were informed of forthcoming county activities ranging from a JAZZ EVENING, enlightenment on "A DAY INSIDE" given by a prison governor, to CHRISTMAS SONGS IN COSTUME - variety indeed!

A letter of appreciation and resignation was read from Mrs. Cooper - though very sorry to lose her, we wish her much happiness in her new home in Devon. Another letter of appreciation was received from a former speaker, confirming the pleasure of his visit - how nice to know!

It was agreed to enter a team in the forthcoming Village Quiz, volunteers(?) to be selected at our next meeting.

Members were reminded of our special fund-raising event when we "take over" the Moreton W.I. Hall on the morning of October 25th, providing coffee and biscuits and a variety of goods for sale to the Tuesday shoppers.

To condense "40 Years as a Parson's Wife" into one hour was most entertainingly and humorously accomplished by our speaker, Mrs. Rendell. Our thanks were voiced by Mrs. Baggaley, who was renewing acquaintance after 46 years, when they had met at a W.I. meeting in the Mission Room, Mrs. Rendell's family (Oldham) then living in Bonds End Lane.

The competition for a religious artefact was won by Mrs. Puddle, Mrs Bristow and Mrs. Pearlman. Tea and home-made goodies were provided by Mrs. Gallard and Mrs. Skipper.

"Hand-Made Cards" is the theme for the 11th October meeting when visitors, and especially new members, will as ever be welcome.

LETTER TO

THE EDITOR

Dear Editor

We have had a glorious Summer in the Sibfords, with each village event lucky with the weather. I, like many others, was only too happy to don different hats and run stalls at the various events and thoroughly enjoyed doing so.

What I cannot understand is why a marquee had to be erected at great expense on two *separate* occasions. Considering the numbers in our community and the consequent limit on its ability to fund-raise, surely the two organisations should have combined, thereby allowing more of the precious funds raised to be retained by both organisations, for the ultimate benefit of their local supporters.

Next year could not the Shindig be held on the evening of the Horti Show, thus halving the expense of the marquee? Perhaps other people feel the same way as I do?

Sibford Brownies are 30 years old in November of this year. We are hoping to have a Concert on Tuesday 29th November to which anyone is most welcome. Please keep the date free.

We have a very large brownie pack at the moment and could really do with some more adult help. We have a lovely group of brownies and it really is great fun. We meet on Tuesdays in the Village Hall from 5.15 - 6.45 p.m. during term time.

There must be someone out there who could come along and give us a hand.

If you think you might be interested, please give me a ring.

FRIENDSHIP CLUB

Because of lack of support, our outing to Weymouth was cancelled, but instead we went to Kenilworth Castle and then on to Walton Hall, where we enjoyed a look round the grounds and had an afternoon tea.

Our outing to Ashorne Hall had to be postponed to the end of September, so a report on that will appear in the next issue of the *Scene*.

On **Wednesday 5 October** a scenic trip is being arranged to Evesham, where we will probably stop for tea. Coach leaving Sibford just after 1.00pm. Further details from Mrs Webb (788211).

On **Wednesday 19 October** we meet in the Village Hall for afternoon tea, where there will also be a 'Bring-&Buy' stall.

*WELCOME
TO
SIBFORD*

*ALL
NEWCOMERS*

If you are a new resident of Sibford and have not yet received a copy of the 'Welcome to Sibford' leaflet, please telephone Petra Berry on Swa. 780462 (Gower or Burdrop) or Jane Holliday on Swa. 780500 (Ferris) and a copy will be delivered to you. The information will help to make you feel at home - by acquainting you with the services, schools, churches, clubs and societies that are currently active in the villages.

This month we say '*Welcome*' to:

- Linda & Brian Brown, who have moved from Whittlebury into The Leys, Backside Lane in the Gower. They have four children, all of whom have left home *[for good reasons, we hasten to add]*, the youngest being in her last year at university. Brian is semi-retired, which is just as well as they are very busy renovating their new home.

- Pam & Robert Ascott, who have moved into 3 Barley Close. They come from Upminster and Pam is expecting her first baby in December.

Young Scene

What a lovely surprise it was to find the Young Scene box which is in the library at the Primary School overflowing with competition entries! Keep up the good work.

All your entries were put into a pillow-case and the first correct entry to be chosen was Laura Walton . Well done, Laura. Your prize is on it's way.

Please note that we spell iceberg with an e NOT with a u. Hands up if you spelt it this way --iceburg. I'm sorry to say that iceberg is no relation to the beef-burger or cheese-burger.

The patterns which you coloured in were magnificent, and a selection of these will be displayed in the village shop window.

Birthday Club.

This month we wish George Woolgrove a very happy birthday. George will be 7 years old on 4th October.

Finding out.

Richard of York gave battle in vain. Have you heard this saying and if so, what does it help us to remember ?

This saying tells us the order of the colours in the rainbow, from the top to the bottom.

The first letter of each word stands for a colour, so:

Richard---red of---orange York---yellow gave---green battle---blue
in---indigo vain---violet

I expect you noticed the WONDERFUL rainbows which brightened the sky during September. Here is a way of making a rainbow.

First you fill a shallow rectangular dish with water and put it by a window in the sun. Slant a small mirror in it facing the sun. Hold a piece of paper above it and move the mirror until the sun shining through the water on to it is reflected on to the paper. You should then see a rainbow reflected on to the paper.

Light looks white but it is really made of rainbow colours. The mirror and water split the light into colours and the mirror reflects them on to paper. In the same way raindrops split sunlight and this is why we see rainbows on sunny bright showery days.

How good are you at riddles and codes ?

The answers to these riddles are written in this code:

_ a b c d e f g h i j k l m n o p q r s t u v w x y z

Z Y X W V U T S R Q P O N M L K J I H G F E D C B A

Question : What runs but has no legs ?

Question : What is the fastest vegetable in the world ?

Answer : Z IFMMVI YVZM.

Well, that's all for this month. There are no prizes to be won but we hope that you enjoy the activities.

A LOAD OF COMPOST FROM CHERWELL DISTRICT COUNCIL

Cherwell District Council is keen to enlist the help of 100 volunteers to test a composting device called a 'Green Cone', an enclosed system that uses heat from the Sun to speed up the decomposition of kitchen organic waste (food scraps, vegetable peelings, etc) to form mainly liquid compost plus a small amount of solid.

The Green Cone has a maximum diameter of about 2ft at ground level and is 3½ft high, of which the bottom 1½ft is buried into the garden soil. About 40lb of scraps can be broken down per month, the resulting liquid seeping into the garden to feed valuable nutrients to plants or vegetables.

In addition to returning nutrients to the soil, such devices are environmentally advantageous, since at present up to 30% of landfill household rubbish is kitchen waste.

The Green Cone is particularly useful for those who do not have the space for a normal compost heap.

If you are interested in testing a Green Cone, or would just like more information, contact Tom Knowland at Cherwell DC, Bodicote, Banbury, OX15 4AA (phone 0295-252535 extn 4224).

Sibford on Top

With a comprehensive win over Thornborough on Saturday, the 20th August the village side won the South Northants League Div 1 title at their first attempt enabling promotion to Div III in 1995. Not even a defeat by old rivals Wroxton in the final match could dampen spirits, as the Trophy was handed to Skipper David Inns. - The Trophy now sits proudly in the Bishops Blaize Inn.

SIBFORD GOWER PARISH COUNCIL CENTENARY CELEBRATIONS

There will be a service to celebrate the Centenary of Sibford Gower Parish Council on Saturday December 3rd at 4 o'clock. The Bishop of Dorchester hopes to preach at this service.

After the service there will be a party in the village hall for residents of Sibford Gower and Burdrop with refreshments and the cutting of the Birthday Cake! The Council hope as many people as possible from Sibford Gower as well as Sibford Ferris will be able to join them in this special service in the church.

To residents of Sibford Gower and Burdrop. Please fill in form below and return to the Clerk (2 Barley Close) or The Rectory, in order that we know how many to cater for.
