# Nature Notes

July 24th. During this drier spell of weather thrushes have been taking a lot of snails. The concrete paving slabs that we set into the lawn to prevent wear are littered with the rather beautiful shells of the yellow and brown banded ones which must have a better flavour than the brown garden snail.

July 27th. My brother watched a beetle crossing the road in a dead straight line so he put the bulbous rubber top of his walking stick on that line to see what it would do. When it got to the stick it stopped to think about the problem. It then walked round the tip until it came to its line and continued on its straight course again. He repeated this experiment and continued with the same result. It must, I suppose, have been following a track marked by some scent or some other means.

Aug 4th. My son, who lives in Culworth, heard something scratching around in the gutter of his two storey house so he shone a torch on to the gutter and was surprised to see the nose and front feet of a mole appear over the edge. How it got up there is a mystery. The downpipe is made of steel which could be rust roughened on the inside which might give some grip for a mole; even so with the first seven feet being vertical it would be a difficult route. I think it more likely that it was carried on to the roof by an owl as moles do surface more often at night.

Aug 6th. There has been a flock of about 40 house martins over the village recently and today some of them were swooping up to the wall under the eves of a house where they nested until 1997. Hopefully they are thinking about coming back next year.

Aug 19th I have now heard of flycatchers nesting in each village. In the Gower the young having flown were being fed around some gardens while in the Ferris they have managed to hatch off their third clutch of eggs having lost the first two clutches to predators, probably squirrels. It will be very bad luck if this hatch suffers the same fate.

Aug 27th This afternoon we watched a leaf cutter bee that was carrying a piece of leaf, neatly rolled up, between its legs. After looking round for a while it went into a hole under the roots of a plant where it would use the piece of leaf to make a cell in which to lay an egg. We later found

that the young leaves of our favourite rose had lost some neatly cut pieces. Aug 28th A song thrush died when it flew against a window of our bungalow this evening.

Aug 30th Another song thrush has suffered the same fate as the one two days ago but this time it was at 10am instead of 8pm. I went straight out to find a cat already on the scene. I expect the cat chased it and that it made for the window as a way of escape.

Sept 13th This evening I went with a group to look for bats with the help of detectors that converted the squeaks made by the bats into a series of clicks. By the tone and rhythm of the clicks the leaders were able to tell us what sort of bat we were hearing. The highlight of the evening, in more ways than one, came when having detected a daubentons bat powerful torches were switched on to follow its flight only a foot or so above the water dipping down every now and again to scoop up insects that were on or just above the surface. With their white bellies they looked very like house martins in the torchlight.

Sept 16th During the blockade of fuel depots very little has been said about why the tax on fuel had, until the last budget been going up faster than inflation. It was part of a package of measures to meet the commitment we made at the Rio Summit on the Environment to reduce carbon dioxide emissions to the 1990 level and now with sea levels rising and the polar ice cap thinning to the extent that a lake a mile long has appeared near the north pole, we are beginning to feel some of the effects of global warming. Perhaps the next generation will be able to book a cruise over the north pole instead of making the hazardous journey over the ice.

# Table Tennis

The AGM of Sibford Table Tennis Club was held on Aug. 24th. We are again hoping to put four teams in the Banbuy League, although we could do with a few more players & particularly one who could play regularly. The teams match nights will be Tuesday for the A & B teams and Thursday for the C & D teams. The subscription has gone up to £20 this year with each team paying £45 towards the room cost. Home matches are played in the Mission Room. Would anyone interested in playing please contact the secretary, Ina Lamb on 780357

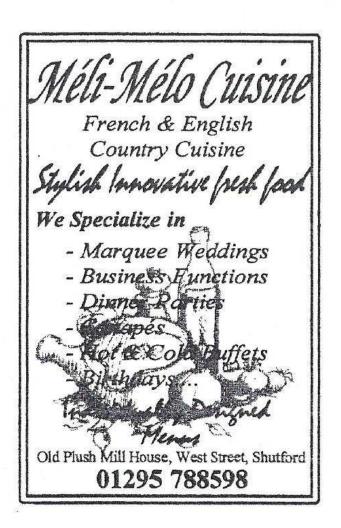

Our autumn programme of speaker meetings is now under way. Nigel Hammond came to talk to us about Victorian England for our September meeting and it was good to welcome him back to Sibford.

Peter Stowe, and old scholar from Sibford School whose parents used to keep a shop in Bonds End Lane during the 1930's, spent some time in Sibford recently. His father kept a market garden, and later built the house at Bramley Close. His garden produce was sold in their shop and also in Butcher's Row in Banbury. He brought some interesting photographs and we will need your help trying to identify some of the Sibford folk in the pictures.

Our October meeting will be in the Village Hall on Thursday 19 October at 7.30pm when our speaker will be Oliver Lane who is the Administrator for Upton House. We look forward to having a personal insight into the life and working of this local National Trust property. We do hope you will be able to come. Non members are always welcome.

# Holistic Aromatherapy Practice Virginia Bennett SRN MHAF

Ginny has recently qualified as an Aromatherapist, gaining a Diploma from the Cotswold School of Clinical Aromatherapy.

She is setting up her own practice offering massage and treatments using essential oils, which are known to be benificial to health. For further information do contact Ginny on 01295 780373

For some years the Scout Association has welcomed girls into the Movement, but it has only been in the past few months that 1<sup>st</sup> the Sibfords Scout Group has been in a position to accept girls in every section of our group.

From the 1<sup>st</sup> September we are able to welcome girls from 6 to 14 to join our thriving units of Beavers, Cubs and Scouts. All three sections meet on a Friday evening at the Village Hall.

If you would like further information please contact Keith Hicks, Group Scout Leader on 01295 780259 or email keith.hicks@btclick.com.

# SIBFORD BROWNIES

I wrote in the last issue of The Scene that, sadly, Sibford Brownies were closing.

I am now very pleased to say that Mrs. Sabin from Mill Barn, Hook Norton (Tel: 788421) has agreed to take over and, by the time you read this, they should be up and running again.

This is very good news and brownies will be back on Tuesdays at 5.15 p.m in Sibford Village Hall.

The joining age for brownies is 7 years and all enquiries should go to Mrs Sabin at the above address and phone number.

Vivienne Scouse.

# SIBFORD BROWNIES

As you may already know, Brown Owl and Tawny Owl both retired in July after many successful years running the Sibford Brownie pack. They had been unable to find anyone to replace them, and as all local packs had long waiting lists it seemed that Sibford girls would not have the opportunity to attend Brownies at all.

Sue Sabin has elected to run the Sibford Brownie pack with the assistance of parents on a rota basis. Meetings are in the Village Hall at 5.15 each Tuesday during term-time. Girls can join from age 7 and enjoy a wide range of activities, games, songs and achievements. Please contact Sue Sabin on 788421 for more details.

If you feel you could offer help at the meetings or have a special interest you'd like to share with the girls please contact Sue on the above number.

We were all sad at the thought of the community being without a Brownie pack, we hope the community will play an active role in the future of Sibford Brownies and support Sue and the Mums in their efforts.

# The Churches Bike Ride

A lovely Saturday dawned, which was a relief after the continuous rain of the previous day. Our small group of five (Joanna, Ross & Megan Gilkes, Jamie Randall and Arnold Lamb) gathered and we set out to Wigginton to bag our first church and chapel of the day, alas someone had beaten us to being the first to sign in. (The lady signing in at the church had memories of being shown round Sibford meeting house by a pleasant man which must have been John) We headed on towards Swerford where we saw several more cyclists arriving. After a steady climb and a bit of downhill we came to Great Tew. Major clearing was taking place on the lengthy path to the church so we had to pick our way through felled laurel, chainsaw wielding men and the shredder which was blowing the wood chips quite a distance. Not a restful place to visit on that day. Little Tew was much more peaceful. We had a lovely run down into Enstone and then on to Charlbury which boasts five churches of different denominations. We stopped on the green and had our sandwiches. The conker tree took a battering with shoes being thrown, one of which inevitable got stuck and caused great hilarity trying to get it down. We located all the churches and continued on to Spelsbury and Chadlington. Coming out of Chadlington we had a two mile steady climb in the warm sunshine before getting our reward of a nice run down to Churchill to gain three more churches. (The old church is a tiny building struggling to seat more than 20) We rode along the top of the hill running into Chipping Norton with good views over the countryside and of the mill with its distinctive chimney. Three churches and an ice cream were picked up in Chippy. The lady at St. Marys thought she was in for trouble as the lads sped up to the door with great back wheel skids making a very satisfying noise on the gravel and the look of relief on her face when the 'oldies' caught up was considerable! At this point it was decided to leave the fourth church unvisited in Chippy hoping to have time to reach Sibford before the 6 o'clock deadline. So it was full speed ahead to Over Norton and Great Rollright. A speedy chase along the top and into Hook Norton for the two churches where we clocked in at 5.25. We tried to get quickly to Sibford but I never realised just what a drag it was from Hooky to the Firs Garage, then down to Temple Mill and finished with a push up the Colony to reach the meeting house where we

were told there hadn't been a visitor since 2.55. We visited the chapel and the church to make a grand total of 27. On our route only 3 churches were unmanned. It is always nice to see some welcoming people at the churches and the children also find it nice stocking up on biscuits, chocolate and squash at each church even if they are only a hundred yards apart. Well done to the other villagers who took part. The only sad aspect to the day was that overall there were fewer people taking part as visitor numbers were down at all the churches we went to. It is an interesting way to spend all or part of the day. Try it next year! Joanna Gilkes

Oxfordshire Village Shops Association is pleased to announce a new competition aimed at rewarding good service to the community from rural retailers.

Shoppers are being invited to nominate their local store for the top prize of a magnum of champagne (and hopefully lots of free publicity!) Nominations stating;

the store name & address the nominators name & address reasons for the nomination should be sent to:

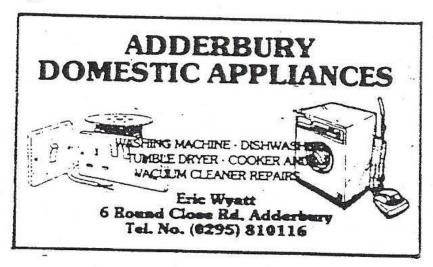

Helen Datson, Village Shops Fieldworker at 1 Church Lane, Spelsbury, Chipping Norton, Oxon, OX7 3JR to arrive no later than 30th October 2000

The ten stores receiving the most nominations will be visited by a mystery shopper followed by the judging panel.

Judging will take place during November with the winner being announced in early December.

# LOCAL OLDER PEOPLES PANELS

A chance for older people to advise and influence. Feel nobody listens? Now people over 50 have a chance to be heard through five Local People's Panels around the county. The new scheme aims to feed their opinions into policies as organisations seek their views on services. It's a chance to turn ideas into suggestions by getting a word in edgeways before big decisions are taken. The independent Local Panels are being set up by Age Concern Oxfordshire City and County with support from the Oxfordshire Better Government for Older People (BGOP) project. They will advise local

authorities, health services and voluntary services.

More people are needed for the Local Panels and those that do volunteer will be offered appropriate training where needed to help them feel at ease in the process. All out of pocket expenses will be paid. To find out more contact Gill Martin at Age Concern, The Lodge, Rivermead Centre, Abingdon Road, Oxford OX1 4XD (01865 240619)

# HOLY TRINITY CHURCHNEWS

First of all, a reminder about the Harvest Thanksgiving Service on Saturday, 30th September at 5.30, followed by a Bring and Share Supperin the Endowed School, where everyone will be made most welcome.

The Annual Church Christmas Bazaar will be held an Saturday, 25th November. Would you please make a note of this in your diaries. Maureen and Ian Warden who organised this event last year have agreed to do so again and they would be grateful for offers of help and of gifts. Please do contact them at 9 Barley Close, telephone 788252.

There will be a confirmation service at Swalcliffe Church on the 3rd December. The new Bishop Colin will be attending. If anyone would like to take up lessons, please contact the Rector, who will arrange suitable times - 780555.

The Deadline for contributions to the November Sibford Scene will be Tuesday 17th October.

Contributions to the Village Shop or Editor please.

If all contributors could get their copy in promptly it would help me as I will be trying to sort out the Village Hall quiz questions that same week.

Thankyou. Adrian Lamb.

# Letter from the Village Hall Committee

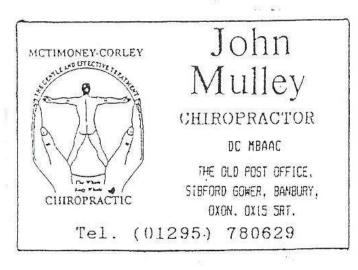

The Collectables and Car Boot sales in August and September made £143.80 for Village Hall funds. Again our thanks to all who donated items for sale. Next sale is Sunday 1st October.

We do hope you will support us by buying tickets for the childrens puppet show "The Moushole Cat" on Saturday 28th October at 3 p.m. we are promoting this entirely on our own and it will cost £397 to stage. Tickets are £2 for children 4 years and over and £4 for adults. The puppets tell how the village of Mousehole was saved by a fisherman and his cat. Two performers tell the story using carved puppets, coloured shadows, live music, song, sound effects and audience participation, set in a beautiful stage of sea, sky and the little Cornish village. It is for any age from 4 to very grown up, based on the award winning book by Antonia Barber. PuppetCraft, who bring this story to life, has performed nationally and internationally since 1990, creating puppet theatre full of humour, drama, music and visual magic.

On the evening of Saturday 28th October, 7.O'Clock start, it is the Annual Village Hall Quiz. Our usual format i.e. teams of up to 6 people, Supper provided, wine and soft drinks available at the bargain price of £3.50 per person. ## WELCOME TO SIBFORD

If you are a new resident of Sibford and have not yet received a copy of the "Welcome to Sibford" booklet, please telephone Maureen Warden on Swalcliffe 788252 (Gower or Burdrop) or Mary Mills on Swalcliffe 780248 (Ferris) and a copy will be delivered to you. The information will help to make you feel at home - by acquainting you with the services, schools, clubs and societies that are currently active in the villages.

This month we say "welcome" to Jane McClenaghan and Luke Adams, who have recently moved into Barthrop Cottage, Burdrop. They had previously spent nine years in Reading, where they met at the university. Luke is an archaeologist, working in Oxford, and Jane is a nutritionist, working in Birmingham. They both enjoy cycling, reading and walking, and Luke writes his own computer music. They have already decided that Sibford is going to be a good place to live, and I think we would all agree with that!

Mike and Sue Lovatt have moved to Briar Cottage, The Colony, from Wigginton. They have four children, the youngest two still living at home. Marc is married and lives near Hungerford; Jo, a doctor, getting married later this month, lives in Ringwood; Vanessa is taking A-levels at Malvern Girls' College; and Edward is taking G.C.S.E's at Bloxham School.

Mike is an Insurance Broker with offices in Banbury and Brackley; Sue is a part-time school secretary.

The family's main interests are their animals - horses, sheep, chickens, cat and dog, and they are looking forward to enjoying the garden at Briar Cottage and joining in village life at Sibford.

Julia and Graham Sale have moved into Little Acre, The Colony, from Hook Norton. Graham works for the World Health Organisation and Julia is not working at present.

They have four children: Deborah, who is newly married; Clare, who has just had her first baby and lives in Cornwall; Nicola, who is almost 18 and is at Banbury College for A-levels; and James, 13, who has just started at Rugby School. James plays rugby for Chipping Norton Under-14s and also for Oxford County.

At present they haven't any time for hobbies - they are far too busy doing up the house and sorting out the garden.

Continued on page 17

It has been a hectic few months since my move to Sibford Ferris. When I slow down - (to a gallop) I hope to become involved in local interests when time permits. For now, my priority is to get the two bungalows converted into a single dwelling, now that planning permission has been approved indeed the extension footings have been dug as well.

To me, it is important to support/use local artisans/craftsmen and materials as I want "Orchard End" to blend in with the area. I have a collection of classic cars and motorcycles, too many in fact, and some will be found new homes shortly. I am impressed with other interesting vehicles in this locale, the "Tatra" especially so, and has to be almost as rare as my "Scimitar Sabre" of which 60 or so were made in that format.

Once the improvements are completed, my 3 cats and I will be joined by my future wife, Edy, and her son Adrian, who already attends Sibford School. The family will be swelled by her dog and cat and we hope to get some pheasants - they'll be quite safe as we are vegetarians!

My cats have eventually settled in (though one went AWOL for a few days) having been prised from their home in Dunchurch, where they lived with me in my remote cottage at the end of a bridleway with Cawston Woods behind. I'm still getting used to seeing more people than I'm used to but I don't miss the noise of far away traffic.

My move to Sibford has also led to a career change I am now Editor/Proof Reader for a Long Hanborough company handling theological, judicial, research & political publications and is a far cry from my years spent in advertising in London. George Sampford

### **GRATEFUL THANKS**

We would like publicly to acknowledge the help and care given to Anne Stephens, and to us, during the last days of her life.

The support of the doctors and nurses of our surgery, the District and Macmillan nurses and the relief night nurse provided by Shipston Home Nursing, as well as two excellent Australian nurses from Oxford Aunts was a truly remarkable team effort, which enabled Anne to remain, as she wished, in her own home.

To this must be added the care and concern of Timothy and Erica Wimbush and the thoughts and prayers of many other people in and outside the vIllage.

Nobody could have asked or hoped for more, or even as much. We are truly grateful.

Susannah Phillips, Tina and Colin Frith

# SHORT COURSES IN INFORMATION TECHNOLOGY From Oxford Brookes University's School of Computing & Mathematical Sciences

An exciting new programme of short courses in information technology begins in October, offering you the chance to update your skills in all the latest computing technological advances. Whether you're looking for professional or personal development, or just fancy finding out what all the fuss is about, there's something for you.

Courses vary in length from 6 to 9 hours (prices from £60-£90):

Introduction to IT Skills
Introduction to the Internet
Introduction to Microsoft Word
Introduction to Microsoft Excel
Introduction to C
Introduction to Multimedia Systems
Introduction to Microsoft Access
Introduction to Java
Building a Web Presence
Introduction to Microsoft Visual Basic
Introduction to Desktop Publishing using Microsoft Publisher

Teaching will be by Brookes tutors from the School of Computing & Mathematical Sciences, delivered in the University's own PC laboratories at Gipsy Lane, Headington.

For more information and a copy of the University's Short Course Directory, please contact Lindsay Wells on 01 865 484749.

# Dialability

Our Mobile Information Unit will be in Banbury on Wednesday 18th October and Wednesday 19th November. We shall be parking in Bridge Street outside Marks and Spencer and look forward to seeing you there between 10.30am and 3.30pm.

We can offer all sorts of advice and information on any topic to do with disability. It does not matter whether or not you are disabled yourself, a carer, a friendly neighbour or a relative.... or just someone who wants to know what goes on in our van .... we really would like to meet you, so do call in and say "hello"

A warm welcome awaited members to the September meeting ! Being unfamiliar with required "off" switches, windows were opened and soon all was calm and cool.

The president being on holiday, V.P. Greta Baadsgaard presided, reminding us of the forthcoming Group Exchange at Broughton Castle, the Sibford Group Meeting and our annual Moreton Market morning, for which we need to be busy jamming and baking. Helpers are always happy to welcome familiar faces, so do drop into the W.I. Hall for a morning coffee if you are in Moreton on Tuesday, Oct. 31st.

The August outing to Lacock village and abbey had been enjoyed by members with friends from Tysoe.

If only our members (or even just one!) had been contemplating investing in "new" dining chairs, then Michael Bull's talk on 'The Do's and Don'ts of Antiquing' would have been most helpful. Dealing solely with chairs his many hints on what, and what not to look for when purchasing could prove very helpful. He was thanked by Audrey Taylor.

There was a happy interlude when Glennis Hutchinson was presented with a garden token in celebration of her forthcoming marriage.

Gillian Soden's entry of a very young horserider won the competition for "An Old Framed Photograph", with Rosalind Pearlman 2nd. and Molly Gallard 3rd.

Molly and May Jarvis were our tea hostesses.

The Sibford Web Site - the other side of the coin

Having read, with interest, the letter in last months issue regarding the proposed re-positioning of the Sibford web site, I thought perhaps we should pause for thought before launching into this venture because, unfortunately, not everyone who "surfs the net" does so with good intentions - in fact some may even have malicious reasons for so doing.

Also, do we really want our village to become too well known -do we want to become a tourist attraction like Broadway, Chipping Campden or Stow-on-the-Wold where one can hardly see the lovely villages for cars & people?

Surely our needs regarding local services, calendar of events etc. are more than adequately met by our own very efficient "Sibford Scene", local news papers and the very useful "Advertiser" published every month.

Would it not perhaps be appropriate, therefore, to hold a Village Meeting or Referendum before committing ourselves to the new web site, as it will affect every household and every person in the village.

Mary Malloy.

### LEO CLUB NEWS

We have had a much longer than usual summer break, due partly to the Pageant with which most of us were involved, if only indirectly.

Our next LEO meeting will be on the 31st October, when Timothy Wimbush has kindly agreed to give us a talk about some amusing incidents in his life. We shall make it a food evening too, so will everyone please bring a small plate of finger food to share. Also, will you all rack your brains and think of some ideas for future evenings. It does not necessarily have to involve a speaker.

We are meeting once again at the home of Mary Mills, at Maria's House, Sibford

Ferris, at 8 p.m. Any new members will be made really welcome.

MW

Sibford Horticultural Society

Previous pleas for more support for the Society resulted in a most successful show when gross takings of over £800 were achieved, much more then previous years. Several offers of assistance for the future were made which should mean that "the show goes on".

More offers would however be appreciated.

Our next meeting on Wednesday 11th Oct. at 8pm in the Village Hall will incorporate the Annual General Meeting taking only a short time before we listen to our speaker Mr. Meredith on 'Willow Structures in the Garden'

# VULUNIEERS NEEDED FUR A NEW SERVICE

I am delighted to tell you that Victim Support, Oxfordshire is launching a new service later in the year, with support from the Home Office. We will be offering a service to witnesses at the Magistrates Courts in Oxfordshire.

If you have ever been called to give evidence at a trial you will know just how daunting that experience can be. Imagine not having a friend or member of your family to come with you, knowing that you will have to speak in public about a crime that may have affected you deeply. At the moment, sadly too often people who are called to be witnesses just do not have the courage to attend and therefore the efficiency of the justice system fails and trials have to be abandoned.

There are seven Magistrates courts on Oxfordshire, each meeting on different days, and I am seeking to set up a team of volunteers to help witnesses as they arrive, to be on hand during and after the hearings. The volunteers will be trained to provide emotional support and practical information about court proceedings. They will also be able to arrange pre court visits so that witnesses can see the layout before the court assembles.

The volunteers will help witnesses who are called to give evidence, including defence witnesses as well as victims of crime and their families and friends attending court for any reason.

# Could you be a Witness Service Volunteer?

Volunteers would be expected to attend one of the seven courts in the County - Banbury, Bicester, Witney, Wantage, Didcot, Thame and Oxford for a whole day every week or fortnight. There will be at least two volunteers on duty at each session and full training will be given by Victim Support. Travel expenses will be paid.

If you could help please contact Victim Support at the Police Station, Warwick Road, Banbury or phone 01869 247050.

(I have a few copies of their application form if anyone would like one - Ed)
