Our aim is to deliver before 8.00am Monday to Friday and by 9.00am at Weekends, subject of course to us receiving the papers in time from the wholesalers.

Other News from Sibford Stores & Post Office

By becoming "proper" newsagents we will have access to a far greater range of newspapers and magazines, including many specialist titles.

We are always happy to hold magazines for collection from the shop, especially those bulky items which are difficult to post through your letter box, such as the current Teddy Bear Collection.

All we need from you is the full title of the publication and we will do the rest.

Likewise we can shop save newspapers to ensure that you get the paper you want each day, even if you can't get into the shop until the afternoon!

Post Office News

Last month we told you about the personal banking facilities that are available over the P O Counter for Lloyds/TSB, Barclays, Co-op, Cahoot and Smile customers, not forgetting Girobank/Alliance and Leicester customers who have traditionally been serviced by the Post Office. During this month we have seen several new faces using this facility. Save that trip, and the time and petrol, travelling into town, and cash your cheques at your local Post Office. Not only are you saving money but you could be helping to save your Post Office from closure!
