**Newspaper deliveries, Dry Cleaning, Laundry & Shoe Repairs; Deliveries, Photocopying, Fax & Mailing Services**  
.....Do you know all the services we offer?

**Ask Sibford Stores first; you could be surprised!!**

2001 has been an eventful year for us here at Sibford Stores with ever more changes and improvements to the shop.

We must first extend our thanks to all those customers who voted for us and made us the Oxfordshire Village Shop of the Year 2001. We are proud to hold this title and hope you will continue to share your ideas of new goods and services you would like us to offer in order that we can maintain our position of being the best!

October saw us celebrating 40 years of the shop in this building and Mrs Rosemary Green came back to cut the cake and join in the celebrations. The return of Robin Spicer to his first place of employment meant we could compare the changes over the intervening years. We had a wonderful day and from the feedback so did the numerous customers who joined us for the occasion.

Perhaps the biggest introduction of this year has been taking over news deliveries in the area. This means that we will be delivering papers on Boxing Day and New Years Day, and that papers and other goods will be available from the shop between 7.00 and 11.00am on both days. The shop is now open for business by 6.00am in the morning with freshly baked bread and croissants available shortly after this time. We are able to offer a wider selection of magazines for sale and can also obtain any number of specialist titles for customers.

May we take this opportunity to thank everyone for their support and friendship over the past year and we look forward to making 2002 just as happy and successful as this year.
