Wine & Mince Pies

Last years pensioner's party was so successful that we are repeating the event on **Thursday 21 December 2000**, between 10.00am and 3.00pm.

Do come along for a drink, (wine, sherry or soft drinks will be served), and try our freshly baked mince pies, sausage rolls and cookies. You will also be able to have a chat with friends both young and old whilst pulling a cracker.

Do join us and encourage all you know to come along too. Transport will be arranged from both the Sibfords and the surrounding villages, but please do book this in advance with either Terry or Judith, we'd hate you to miss out!

Fresh Bread

We will be baking all our usual bread and cakes on both Christmas Eve and New Years Eve, between 7.00am and 1.00pm. Don't be disappointed, place your order in good time and we will ensure that your goods are ready for collection or delivery at the time you want them.

Don't forget we also have mince pies, sausage rolls and croissants, which you can collect to tide you over the holiday period.

Dry Cleaning. Laundry & Shoe Repairs; Photocopying, fax & deliveries.....do you know all the services we offer?

The year 2000 has proved to be a busy one in Sibford Stores and Post Office with many changes taking place. We have now embraced new technology and have a scanning till, a computerised Post Office and also Closed Circuit Television.

As part of our overall modernisation we have purchased new freezers for the shop and installed air conditioning / heating to ensure the comfort of customers and staff alike.

Throughout the year our freshly baked bread, cakes and savouries have proved extremely popular and we now offer organic loaves, both white and wholemeal.

In line with customer requests we are stocking an ever-wider range, have you told us what you would like to see on the shelves? We are happy to try and seek out the unusual.

2000 has seen us increasing our deliveries and we now regularly collect older customers from their homes to enable them to collect their pensions and do their shopping personally, often meeting with friends and enjoying a tea or coffee at the same time. If you would like to visit the shop but have difficulty getting here do let us know, we'll be only too happy to make arrangements.

Personally we have made many new friends over the last year and we look forward to meeting more in 2001
