Nature Notes

Oct. 20th My daughter had 15 goldfinches feeding at her bird table today

Oct. 31st Conditions must have been just right last night for the badgers to collect mud on their feet as they have left muddy tracks marking the six places where they cross the road between Little London and the Elm.

Nov. 6th Several redwings and a few blackbirds have already started eating berries from our holly tree.

Nov. 10th I understand that a dipper has been seen recently within or close to our parish boundary. About 60 years ago one nested under a bridge between our villages. I did not see the nest and don't know which bridge but it was recorded by Arnold Darlington who then taught science at Sibford School.

Nov. 12th Pigeons have now joined the redwings and blackbirds so our massive crop of holly berries will soon be gone. They have already cleared the top part of the tree.

Nov. 15th A late flower spike of the parasitic ivy broomrape has recently appeared under a tree in our garden. As well as being later, it is also bigger, than the ones we have seen there over the last few years. It is about 11 inches tall and looks as though it might develop further yet. Nov. 16th September and October were pretty dry months enabling farmers to catch up with the field work but November is very different with 2.75 inches or rain in the first 2 weeks and the promise of more to come. There are not many holly berries left now. I think it will be a job to find one by next week.

Sibford WI. Meeting - 10th November 2009

A good attendance of members was welcomed by President Glennis Hardman. The recent Group Meeting at Bloxham was discussed and unanimously agreed by those who attended that it Institute had been an excellent evening with brilliant entertainment by 'Our Flossie' whose singing and dancing talents were greatly enjoyed.

Christmas is coming! and today our festive season got off to a good start with a demonstration by Deborah Page from Barn Side Farms, Wardington of how to make Christmas wreaths and table arrangements. She had brought along with her small sprays of spruce, bunches of ivy, holly and cuttings of variegated euonymus because, whenever possible, Deborah prefers to work with natural materials gathered from her garden and the countryside. Using florist wire she showed us how to fix and layer these on a circular metal frame to build up a dense, sweet-smelling base for a Christmas wreath. She then added decorations such as fir cones, chillies and cinnamon sticks and her final touch was to add a bow of creamy yellow wired ribbon.

The second example of her work was a symmetrical shape built upon an oasis base. Once more spruce and various other pieces of evergreen were used but this time the decorations were more colourful – such as bright red holly berries, gold sprayed cones and a large tartan ribbon bow, which cleverly appeared to run through the complete piece from top to bottom. This decoration was suitable for hanging on a door or, when laid flat and with the insertion of a candle in the middle, could be converted to a centrepiece for the Christmas table! So don't be too surprised by the number of denuded spruce trees and holly bushes to be seen throughout The Sibfords this year! Glennis gave an enthusiastic vote of thanks

Tea and tasty cakes were served by Gaynor Harper-Tarr and Val Powell. The competition for a hand crafted Christmas card was judged by our speaker and she awarded first to Rosemary Neal with joint second to Margaret Gardiner and Jane Martin.

Tuesday, 8th December will be our Christmas Party with time to socialise and a beetle drive to add to the fun. Members are asked to bring a plate of finger food and a wrapped gift plus a seasonal table centre for the competition.

We have thoroughly enjoyed serving you for the past eleven years but feel the time has arrived when the stores need an injection of youth and vitality to take them through into the next decade, and Ramesh has plenty of both of these qualities.

We shall certainly miss the many friends we have made over the years as running a village stores and Post Office is far more than a job and more a way of life. Whilst we're sure we will soon adjust to not getting up whilst others are only just thinking of going to bed the loss of the constant stream of familiar faces will take far longer.

Thank you to each and every one of you for your custom, help and friendship over the time we have been in Sibford. Our success in the stores was only possible because of the support given to us by so many. We know how much you value the many benefits which are given to any village by retaining their shop and Post Office and hope that you will continue to give Ramesh the same support to enable him to provide the services that are so vital today to life in a rural community.

Sibford Gower Parish Council Meeting Tuesday, 17th November 2009

The Meeting was attended by all five Parish Councillors, County & District Councillor George Reynolds, five local residents and the Clerk. Various matters were discussed including Allotments: Regrettably, land ,owned by the District Council, which it was hoped might be used proved not to be so as the District Council was not willing to allow it. No other offers of land were forthcoming. Residents who had expressed a desire for allotments will be advised of the situation. Forthcoming resignation of Chairman: With the departure to Thailand in early December, Cllr Spicer tended his resignation as Chairman. The offer of Vice Chairman Martin Layer to fill the position was unanimously accepted as was the appointment of Cllr Peter Abbott as Vice Chairman. The Council's position will be reviewed in May 2010 at the time of the next Parish Council elections. Robin Spicer has been a Parish Councillor since 26th September 1986 (Chairman since 17th May 2006) and his presence at Meetings and involvement in the community will be greatly missed. Clerk's Report: The Clerk referred to his attendance, with Cllrs Spicer and Abbott at the Parish Liaison Meeting held in Bodicote House on 11th November. Minutes of the meeting, when received, will be passed to the members of the Parish Council. The Council had received information and posters (subsequently displayed) concerning fly tipping. Included were forms to report to the District Council any fly tipping incidents. These are available should they be required, Also received prior to the Meeting was a letter from the District Council 'Operation of the Ethical Framework - Customer Survey'. This was completed at the Meeting.

Review of the Asset Register, Risks and Councillors' Interests: A review took place. Planning Matters: Since the previous Meeting, eight planning applications had been considered and seven planning decisions received. Highway Matters: The attention of the Parish Council had been drawn to the adverse impact of parked cars (usually those of visitors to the Surgery) on the grass verge opposite the Doctors'

Surgery. In addition to this, the wall of

the adjacent property is starting to be affected. Previously, damage to the road nearby had been caused by heavy vehicles and remedial work is promised by Oxfordshire Highways. In view of this latest situation, the Clerk had a site meeting on 5th November with an Oxfordshire Highways Inspector who recommended that two protective posts be installed at a cost to the Parish Council. At this Council Meeting, this solution was challenged in that the corrective work (and the cost thereof) should be the duty totally of Oxfordshire Highways as the road and the verge are its responsibilities as, indeed, would be any damage to the adjacent wall. The Clerk was instructed to take the matter forward with Oxfordshire Highways. Footpath Matters: The Clerk advised the Meeting that, as requested by the Parish Council, the kerbs in High Meadow had been dropped at two points to allow wheelchair access. Regarding the wall at part of the footpath between Backside Lane and Main Street where some stones are dislodged, a site visit was made by the Rights of Way Officer (OCC) who considered that the matter was not serious but that the owners of the property involved should be aware of their responsibility. The Clerk had advised them of this. At a previous Parish Council Meeting, local residents Lesley and Andrew Bishop offered to walk the Parish footpaths and highlight any problems. At tonight's Meeting they were present having previously handed to the Clerk a very detailed list and photographs highlighting where remedial work is needed. The Councillors expressed their thanks and gratitude for the time and effort involved and the Clerk was instructed to enter into dialogue with the Rights of Way Officer (OCC). Burial Ground: Ongoing discussion took place regarding its maintenance and dialogue with the Ferris PC will continue. Public Participation: County and District Cllr George Reynolds spoke briefly of the Cherwell Rural Area Integration Transport and Land Use Study stage two report. In January, the Core Strategy will be looked at by the District Council and information will be passed down to Parish Councils.

<u>Date of next Meeting:</u> Thursday, 21st January 2010 starting at 8pm in the usual venue – the Staff Room, Sibford Gower Endowed Primary School.

There being no further business to discuss, the Chairman thanked all present for attending and closed the Meeting at 10pm.

THE 40TH NEW YORK CITY MARATHON SUNDAY, THE 1ST NOVEMBER 2009

The New York Times, Monday, the 2nd November recorded the following data:DAVID BENNETT

Finishing Place 22263 Age 66 Time 4H 20M 38S JONATHAN BENNETT

Finishing Place 15024 Age 34 Time 3H 59M 41S

A wonderful experience for David & Jonathan as they completed the 26 miles 385 yards, crossing five bridges, in front of an estimated 3 million spectators. The course passes through the 5 New York boroughs, Staten Island, Brooklyn, Queens, The Bronx and Manhattan, finishing in Central Park. Over 42,000 people took part in the event representing all 50 states and in excess of 100 countries. It is staggering to report that when the race started in 1970 there were just 127 competitors!

As one of several thousand people raising funds for charity, we hope to have raised £1,250.00 for the Air Ambulance Service and the Sir Bobby Robson Foundation. May we take this opportunity to thank the many people in the villages and the local area for their generous support to our efforts.

The Air Ambulance Service costs £1.4 million a year to operate and is supported entirely through voluntary donations. The service is airborne in 45 seconds to respond to the needs of seriously ill or in-

jured patients.

Our links with North East England are well known and we are most grateful to our friends in that area for their contribution too; we wore our "black & white striped shirts" to acknowledge a true soccer legend who battled cancer on 5 separate occasions. The foundation based at the Freeman Hospital, Newcastle upon Tyne, close to where David was born, focuses on the early detection and treatment of cancer and the clinical trials of new drugs that will eventually beat the disease.

MANY THANKS TO YOU ALL ONCE AGAIN

The Cotswolds were shown in a new light when Alan Winterburn talked to those attending our November meeting. His illustrated talk fully demonstrated the need to look above our heads and around corners when visiting well known Cotswold villages such as Stow in the Wold, Moreton and Burford. Many small village Churches have a wealth of unusual Monuments and connections

with important historical events. The tradition of people publicly confessing their wrong doings at a Weeping Cross is one we might ,in some cases like to see continue! We all benefited from Alan's considerable research into the stories behind the plaques and monuments by which we are surrounded.

The Sibfords Society Annual Social Evening will be held on Thursday, 28th January and invitations will be delivered after Christmas. There will as usual be no meeting in December or February but look out for more information regarding our AGM on the 18th March 2010.

We wish all our Members and supporters a Happy Christmas and look forward to seeing you all in the New Year.

Domesday 2010!

Last month we outlined the Society's plan to record what happens in the Sibfords during the course of a year to provide a look at everyday life in a north Oxfordshire village in the 21st century. During December we plan to contact all the organisations who meet or worship in our community and hope that they will co-operate with us to provide a record of their membership and programmes including a photographic record of events and activities during 2010.

In 1877 the vicar of Sibford, Rev Edward Stevens (Frank Lascelles' father) personally conducted a door to door survey of all households in the Gower, Burdrop and the Ferris. He recorded the gender, age groups and occupation of the head of the household. His findings were tabulated and give us a complete insight into the social history of the village at that time. It makes interesting reading, although many of the descriptions and classifications have little bearing to life in the village today. We have included the table which Rev Edward Stevens prepared and his personal contribution to life in the Sibfords, through the records in his diaries, are part of our treasured archive material.

The population recorded in Beesley's History of Banbury in 1841 was 821. The total population of the villages in 1877 was recorded by Stevens as 615 – this was raised to 692 when the 7 staff and 70 boarding pupils at Sibford Quaker School were included. Sibford's village children were able to go to the village school endowed by the Town Estate Charity in 1540. Formal education was rare in rural communities and the school log books, recorded by former headmasters, tell of totally different schooldays to those enjoyed by pupils today. School provision ended at 14 years of age or as soon as employment was found in the final year. Some were apprenticed to trades in the village, some found work on the local farms or entered service.

Once completed, we plan to submit the record to the Oxfordshire Records Office and keep a copy for our archive. If you would like to help and be more directly involved please contact Maureen Hicks, (780259) or any member of the Sibfords' Society.

.PUPILS USE THEIR BOTTLE TO CREATE ECO GREENHOUSE

Junior pupils at Sibford School near Banbury were joined by youngsters from All Saints Primary School in Nuneaton for a very exciting eco project. As part of Recycling Week the children started work on building a walk-in greenhouse made out of more than 2,000 discarded plastic

> bottles. The day was made even more exciting when the BBC turned up to film the youngsters at work.

NEIGHBOURHOOD WATCH

Please remain observant and aware during the Christmas and New Year period.

We are now receiving many more warnings by E-mail and the Ringmaster Messaging Service. Distraction burglaries and bogus callers are of particular concern. "Be safe Be Secure" an informative booklet to help you avoid unwelcome visitors was delivered with the November "Scene". Please take the time to read it and keep it for future reference. Anyone wanting advice on security, locks and alarm systems please contact Jayne Taylor Crime Prevention Officer at Banbury Police Station. Phone 08458 505505. Remember never buy from the door, always check the identity of a caller, look after your neighbour make sure post and papers are pushed through the letterbox and that parcels are not left on the doorstep. If you are away remember to cancel deliveries.

The Sibford Neighbourhood Watch Team would like to Wish You All A Very Happy Christmas and New Year.

HOLY TRINITY CHURCH NEWS

The Remembrance Service was held on Sunday November 8th, starting around the War Memorial as is our custom, where wreaths were laid by Bob Lamb on behalf of the British Legion and by Bethany Owen on behalf of the 1st Sibford Scouting Group. The Last Post and Reveille were played by trumpeter Michael Butt; Robin Spicer took the service and that following in the Church assisted by Major Sue Vivash, a nurse in Queen Alexandra's Royal Army Nursing Corps and by Pat Hughes a coxswain in the Royal Naval Submarine Service.

A meeting of the Parochial Church Council was held on Thursday 12th November. There were numerous items under consideration: The resignation of Ann Spicer as church warden owing to her impending move to Thailand. Proposals for Ann's successor are called for from the members of the parish; reference was made to the long service of Ann and Robin to the Church and of their families before them and the warm thanks and good wishes of the PCC members were expressed; the Annual Confirmation Service is to be held at Tadmarton on 6th December at 10.00 and this will be conducted by Bishop Colin; the year's series of coffee mornings which were most successful for fellowship also made a surplus of £1,077.15 which will help with the continuing cost of the sound system; the old books in the Church have now been removed and villagers are

asked please not to leave books, DVD's, CD's etc in the Church. There are each year second-hand book stalls at the Summer Fete and the Christmas Bazaar as well as at other village events and it would be

greatly appreciated if villagers with spare books etc could hold on to them until the events occur when they would be much appreciated by those running the stalls; It was decided to promote a house-tohouse envelope collection for Christian Aid during Christian Aid week which next year will be from 9th to 16th May 2010. It is hoped that this will be supported by all the Christian denominations in the villages and volunteers are called for from the Anglican, Catholic, Methodist and Quaker communities to act as distributors/collectors. assistance please to Norman Nash (nnash@waitrose.com.) A representative of the Oxford Christian Aid office with direct experience of work "in the field" will be speaking at the Benefice Service being held in Sibford on May 2nd.

The Annual Carol Service will be held in the Church on Friday 18th December at 7.00 pm. This will be followed by Mince Pies and Mulled Wine. Carol services in Broughton and Tadmarton Churches as well as other Christmas services in the Benefice are

shown elsewhere in this publication.

In case you receive this copy beforehand, don't forget the Church Christmas Bazaar being held in the Village Hall at 2.30 pm. on Saturday 28th November. This is a major fund raising event for the Church and it is hoped that it will be well supported. There will be much on offer relevant to Christmas.

The PCC members wish all in the village a Very Happy Christmas and a Peaceful New Year.
