

**Here is YOUR Householder's Survey** which is a vital part of the Sibfords' Society Domesday 2010 Project. The form has been designed to allow us to compare the 2010 data with similar information collected in a previous survey conducted by Rev Edward Stevens in 1877. All the information collected anonymously will form the basis of a record of village life in 2010 for future generations. We ask you to take a few minutes to complete the form, as accurately as possible, and pop it into one of the collection boxes provided in the Shop, the Surgery or the Primary School.

*Thank you for being part of Domesday 2010*

## The Sibfords' Society Domesday Project – 2010
