Nature Notes

June 23rd It may be the same ofter that was seen at Traitors Ford more than a fortnight ago that was seen in Sibford Ferris parish today. A few years ago I found what I thought were ofter footprints by Lambs Pool and I understand that, unknown to me, there have been several ofters seen since then so they could now be established in this area.

July 11th About a fortnight ago a badger trampled down the net that was covering our strawberries. It did not manage to eat many of them but since then we have not liked to eat them raw so we have made them into jam. We had anyway already picked the best of the crop.

July 14th The bumble bees nest in the eaves of our bungalow seems to have completed its lifecycle as there are no bees buzzing round any more. Our area of wild flowers is in full bloom but even on a nice day like this I could only see one bumble bee on them but lots of hover flies. A few years ago badgers used to dig out several bumble bee nests from the thick grass in our paddock each year but this year I have seen no sign of any being dug out which is ominous. A few weeks ago a bumble bee was sitting on a leaf and squirming in a way that made me think that it could be suffering from external parasites. It eventually flew away but it makes me wonder

whether an infestation of mites could be killing them. I don't think bumble bees get the varoa mite which causes so much trouble with honey bees.

Oxfordshire Historic Churches Trust Sponsored Ride and Stride

Saturday, 13th September 2014

Ride and Stride details and sponsor forms are also available from Arnold Lamb, Back Acre, Sibford Ferris (780357) and Peter Hardman 780391 hardman214@btinternet.com or email the editor for more details.

The challenge is to cycle or walk between places of worship and raise funds through sponsorship to support the work of the Trust and your local Church, Chapel or Meeting House. It is always an enjoyable event with many churches providing a warm welcome and refreshments. (Hempton have the reputation for fantastic cakes). There will be a group from the village cycling so if anyone would like to join us please contact the editor. Don't be put off by the thought of cycling big distances - just remember that it is only a couple of miles to the next church!

The Ride and Stride is also an effective way of raising funds for our church as 50% of the sponsorship money (excluding gift aid) comes straight back to the church if it is designated by the Striders and Riders.

Are there any older members of the village who might know of relatives of anyone buried in the graveyard at the Chapel. It would be very helpful if they could

let me know as the gravestones are illegible.

Use of Sibford School Playing fields

The school playing fields have become an increasingly popular area for groups of young people to play football

and other sports during late afternoon/early evenings and at weekends. Whilst we encourage young people to be active, these grounds are primarily for the use of pupils attending Sibford School. The school has a responsibility to ensure the safeguarding of these students at all times. in accordance with the regulations for educational establishments, therefore, with immediate effect, it has been agreed that the school playing fields are no longer available for casual use.

If groups would like to book the use of a football pitch or other areas, they can do so by contacting Sibford School on 01295 781200 or by emailing facilities@sibfordschool.co.uk. Anyone who has not booked will be asked to vacate the premises.

This ruling does not affect the Multi Use Games area which can continue to be used during the times specified on the school notice board. We thank you for your cooperation.

1914-1918 in the Sibfords

Much has been written and broadcast this year about the history of the First World War during this 100th anniversary year of the outbreak of the hostilities which affected the lives of so many people across the world. During this horrific war the total of military and civilian casualties was over 37 million – 16 million deaths and over 20 million wounded. These huge numbers ranked the First World War among the deadliest conflicts in human history.

The Sibfords played their part and I am currently researching life in our villages during these four years. To mark the 100th anniversary on 4th August 2014, I have summarised some of the facts which have already come to light about the lives of the villagers who lived and worked here during those war-torn years:

mg m	iose war-torn years.
	The population of the Sibfords was around 650 in 1914
	88 men and 2 women from the villages served in the British Armed
Force	S
	10 men gave their lives in the service of their country
	80 villagers returned safely
	The Primary School, which had between 80 and 90 pupils, was closed
on	several occasions due to outbreaks of measles, diphtheria and influenza
	The school children picked 1ton 6cwts and 94lbs of blackberries which
were	taken to Bloxham Station to be sent for jam making for the troops

Е	Following a public meeting in October 1914, the villagers agreed to 'take
	a cottage and support a Belgian Refugee family for as long as seems
	necessary'
	Regular donations of between 1 and 3 pence a week were collected and
used	to support two families who came to live in Burdrop. Monsieur de Vries
and I	Monsieur Poppe were cousins and diamond cutters and polishers who fled
from	Antwerp during the German invasion of Belgium. With their wives and

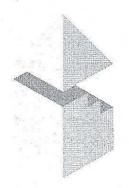

four young sons they were given a home, furniture and supported financially

The 9 Trustees of the Town Estate Charity met regularly throughout the war years. They provided prizes to the village school for Scripture, Horticulture and Sewing. They supported the Rev Moxon's Clothing Fund, made allocations of coal and set up an account at the Co-op to pay for soup and Bovril for needy residents in the Gower and Burdrop

☐ Sibford cricket club continued to play local matches although some of their players were serving abroad

I plan to continue my research and would love to hear from anyone who can add any local stories, photographs or memories from those years. I am grateful to those who have already helped in any way, especially Judith Weeks who has visited the War Graves in France and who has photographed and recorded the graves of the local men who were buried there. Bob Lamb has shared his memories of life on the family farm when his father and three brothers all served on the Western Front in different ways. Fortunately, they all returned safely to their families.

If you can help me in any way with further information, photographs or family memories please get in touch with me: Maureen Hicks – Tel: 780 259 email: maureen@hicks-sibford.co.uk

Sibfords Society, July and September 2014 Since this edition of the Scene went to print, a large group of Sibford Society members plus friends will have been, on Thursday 17th July, to Swinbrook, a small village near Burford, home of the beautiful Mit-

ford sisters, to hear a talk about their lives and to see where most of the family are buried, in the churchyard of St Mary, Swinbrook. More on this trip will follow in the next Sibford Scene.

On 18th September we will have a talk by Mark Davies on 'Artists in Wonderland: Alice and the Pre-Raphaelites.' Thomas Combe was superintendent of the Oxford University Press throughout the 1850s and 1860s. With his wife Martha, he played a key role in promoting the Pre-Raphaelite Movement, by encouraging artists such as Milais, Holman Hunt and Rosetti to stay with them in Jericho, close to the inspiring vistas of Port Meadow. The couple also facilitated the publication of Lewis Carroll's *Alice's Adventures in Wonderland* and enabled Carroll to meet and photograph these famous artists. The talk begins at 8.00p.m. in the Village Hall, Sibford; doors open at 7.45 p.m.

Sibford WI Meeting – Tuesday, 8th July 2014

The weather, although not perfect for a garden party, was at least fine so that members were able to be outside and appreciate Mary Hill's beautiful garden in Bloxham. Before tea was served a short business meeting took place. Secretary Lynda Conway read out an interesting and detailed report written by Eileen Johnson of Bloxham WI on the NFWI Annual Meeting in Leeds on 7th June. Four thousand five hundred attended and the resolution 'Increasing Organ Donation' was passed in favour with a high majority vote. Sibford Members, who are going to the lunch on 14th August at the RSC Rooftop Restaurant, Stratford upon Avon, need to be at the Village Hall car park at 11am. A delicious tea, with cakes baked by the Committee, was much enjoyed at round tables set with attractive china. President, Glennis Hardman, thanked Mary for her lovely hospitality and presented her with a gift token and an arrangement of flowers.

There will be no Meeting in August. Instead of the Meeting scheduled for 9th September there will be an Afternoon Tea later in the month. Members will be advised of the venue, date and time.

PROM SURPRISE

Attendees at Sibford School's year 11 Prom got a big surprise when reality TV star Ollie Locke popped by to say 'hi'.

The Made in Chelsea star was a pupil at the school from 2003 – 2005, and agreed to come along after receiving an invite from pupil Alice Abrey, a member of the Prom organising committee.

"I emailed his agent to see if would like to come along but heard nothing," said Alice. "Then on Wednesday evening I got a call on my mobile and it was from Ollie himself saying he'd love to join us. I couldn't believe it. I told my fellow organisers Becky and Jade

but we kept it a secret from everyone else so it was a big surprise on the night."

Ollie chatted with pupils and teachers and spoke about his time at the school and how he had enjoyed filming Made in Chelsea. He was also reunited with his GCSE art project 'Depiction of Water' which he had never collected from the school.

"We found his folder in the art room and thought it would be good to give it back to him," said Alice. "Quite what he thought about it I'm not sure but this time he did at least take it away with him!" Ollie Locke is pictured with (from left to right) year 11 students Becky Sleath, Alice Abrey and Jade Spencer.

On Tusday 10th June 23 members had a visit to
Chastleton Glebe, the home of Prue Leith, the

famous gourmet cook and novelist. The approach to the house is through an avenue of old and noble trees, which ring the entire garden. A large terrace, with roses and pots of geraniums and nepeta, is the place to enjoy the fabulous view across a wildflower meadow to a lake and then up to the hills. A bright red Chinese bridge crosses to the island in the lake, with red pagoda, and there was some eastern influence in some of the many statues in the garden. A long tunnel of roses was just coming into flower. Some magnificent cold frames made us all jealous, as they were filled with broccoli and cabbages, lettuces and spinach, all of which would win at a flower show. The original walled vegetable garden is now an ornamental one, with box parterres filled with different perennials - notably some gorgeous foxgloves. It was a grey evening, but the rain held off until we had all seen the garden, and as the raindrops fell, we were all ushered into the splendid house, and thoroughly spoilt with tea, coffee and platefuls of exceedingly de-

Holy Trinity Church

August 3rd at 10am the Benefice Eucharist in Sibford will commemorate the centenary of the start of WW1. There will be poems and different readings, some hymns and anthems appropriate for the special day, as well as our chance to pledge ourselves to work for peace throughout the word. Everyone is warmly invited to attend whether or not you are specially "churchy".

The church will, as always, be open the following day, the official day of remembrance, for your own quiet times.

Saturday August 16th there will be a Coffee Morning from 10am until 12 noon in church – good refreshments, some simple stalls, and chat and friendship; all welcome.

Again on September 13th there will also be a Coffee Morning.

Sibford Methodist congregation have looked favourably on our offer to have a Methodist Service in church once a Quarter; The first will be at 11am on Sunday October 12th and it will be HARVEST FESTIVAL, with offerings of tins and packets warmly welcomed for the Banbury Food Bank. Please be part of this ecumenical venture.

One further "Tim Wimbush Commemoration" – the Royal School of Church Music have included a Choral Evensong in Broughton at 6.30pm on Sunday September 14th to give thanks for Tim's musical ministry and include some of his favourite hymns etc. We are still recruiting singers for this event – but you are all welcome to attend either as singers or as congregation.

The Clock; last month I promised you all a leaflet about the clock and how you can help. The leaflet is on its way! But as most of you know, between the idea and the execution there's always a delay. Meanwhile the clock ticks and strikes but the hands don't move. Continued thanks to Tom Pratt for his ministry of winding and care – you all know how accurate the clock is!
