87. Outstanding matters/actions from previous meetings

- i) Update re requests to Oxfordshire County Council (OCC) to repaint the road markings at the T junction and at the Elms crossroads and for general road safety improvements at the Elms crossroads – The lines have been repainted and 4 new signs have been put in. The PC is very pleased to see this has now been completed.
- ii) Litter picking – It was felt that planning a single day of litter picking doesn’t seem to work so it was agreed that the **Clerk should put a note out in the Sibford Scene encouraging parishioners to occasionally do a bit of litter picking when they are having a walk around the village.**

88. Hook Norton Road Development - General update – There have been complaints about very loud music being played on the site. Complaints have been made to Deanfield Home and to Environmental Health. The volume of the music has now reduced. The PC has been made aware by someone who contacted Deanfield Homes because they are interested in purchasing a home on the Sibford Ferris site that Deanfield Homes are advising prospective purchasers that the orchard, allotments, and pond area on the estate will be managed by ‘the parish’. If ‘the parish’ is referring to the PC then this is incorrect. The PC have no intention of taking on responsibility for these areas and are not aware of any legal or planning requirements that will force the PC to do so. It was agreed that **Cllr Meyler should write to Deanfield Homes and Cherwell District Council (CDC) advising them of the information the PC has received and advising that the PC do not intend on taking on responsibility for this area.**

89. Flytipping around the bottle bank near the Elms Crossroads – The flytipping in the area has been reported. The sign stating there is CCTV in the area has been broken. **Cllr Bennett agreed to remove the sign and continue to report incidents of flytipping.**
